

Outward Bound Baltimore Chesapeake Bay

Dear Youth Leadership Corps Applicant,

Congratulations on taking the first step in the Youth Leadership Corps experience! The enclosed application is your chance to embark on a journey that will surely enhance your leadership potential as well as extend your personal limits. The journey is highlighted by a 14-day expedition which may include: backpacking the wilderness of the Mid-Atlantic, rock-climbing picturesque cliffs, and giving back to our community through service. Alongside a group of peer leaders, you will eat, sleep, and work cooperatively to ensure a safe and unforgettable experience.

Selected applicants will earn the opportunity to learn the value of cooperation and communication in a challenging, team-oriented environment. Upon completion of the course, you will return home with new perspectives, skills, stories, and friendships. Additionally, participants gain new insight into their own strengths that they never new existed. As a graduate of Outward Bound's Youth Leadership Corps, you will have opportunities to further cultivate your leadership skills and benefit your community through service projects, reunions, and workshops throughout the year.

Please complete and return the enclosed application. Be sure to include your essay, three letters of reference, and application fee. If references will be sending letters separately, remember to provide them the proper address and deadlines. All information should be mailed to the address below. Once applications are received, we will contact qualified applicants in order to schedule an interview.
